화면 구현

The screenshot displays the ScheduFlow web application interface. The browser address bar shows the URL `scheduflow.web.app`. The application title is "ScheduFlow, schedule management team".

The main interface features a calendar for February 2024. The calendar shows tasks assigned to team members across the days of the month. Tasks include "algorithms", "Prom management", "scheduFlow", "EarlyBird", "Marketing management", "Touring mar", "HR managing", and "Prom manag".

Below the calendar, there are two sections:

- Completed Schedule**
 - 1 - scheduFlow - complete
 - 4 - Touring management - complete
 - 5 - Prom management - complete
- Member Status**
 - Robert - off-limits
 - Matthew - off
 - Json - available
 - Kim - off-limits
 - Lee - available
 - Tirzah - available
 - Sarah - off-limits

On the right side, there is a sidebar with project details. The "Marketing management" project is selected, showing the following information:

- Description: marketing DP managing
- Manager: 3
- Kick Off Date: 2024-02-01
- Due Date: 2024-02-03
- Status: incomplete
- Team:
 - Member ID: 3
 - Contribution: 80
 - Visits: 10

The "Touring management" project is also listed below:

- Description: marketing DP managing
- Manager: 10
- Kick Off Date: 2024-02-02
- Due Date: 2024-02-03
- Status: complete
- Team:
 - Member ID: 11
 - Contribution:
 - Visits: 15
 - Member ID: 12
 - Contribution: 20
 - Visits: 10
